Dear ,

Knowsley Local Plan: Core Strategy Examination Hearings Programme and Inspectors Matters, Issues and Questions

I am writing to you in connection with the representation(s) that you made to the Knowsley Local Plan: Core Strategy. As you are aware this document is now subject to independent scrutiny by way of an Examination into its soundness and legal compliance.

The Inspector has issued his Matters, Issues and Questions alongside a draft programme for the forthcoming Examination Hearing Sessions. These documents are available for you to view on Knowsley's Local Plan: Core Strategy website: www.knowsley.gov.uk/localplan and I have also attached them for your convenience.

I have matched, where possible, respective representors who had indicated a willingness to attend the Examination to the sessions that are most likely to be of interest based on the content of representations. Please let me know, preferably via email, whether or not you intend to attend the sessions as outlined in the hearings programme.

Further to my earlier communication on 29 August 2013 regarding the invitation to attend the Pre Hearing Meeting I would like to thank you for your responses so far. Can I remind you if you have not responded to date that it would be helpful if you could let me know by Monday 16 September 2013 if you wish to attend the Pre Hearing Meeting on Thursday 26 September 2013 at 2.00pm to be held at the Gallery Room, Huyton Suite, Civic Way, Poplar Bank, Huyton, L36 9GD. Directions to the venue can be obtained from Knowsley Borough Council's website www.knowsley.gov.uk.

If you have any queries please feel free to contact me.

Yours faithfully
