1. What is Disabled Relief?

Disabled relief is a reduction in your Council Tax if there is a disabled person, whether adult or child, in your household and you can answer Yes to one of the following:

- Do you have a second bathroom used for ‘personal washing’ (not just a toilet/washbasin) which is needed and predominantly used by the disabled person?
- Do you have a second kitchen which is needed and predominantly used by the disabled person?
- Is a wheelchair used indoors?
- Is there a room that is predominantly used by the disabled person and required to meet their needs as a disabled person? This could include a room that is used to house dialysis equipment, or a room for physiotherapy.

Please note that no account is taken of your income, so even if you are receiving a high income you could still qualify for this reduction.

2. What is the reduction?

If you qualify, you will be charged as though your property was in the Valuation Band lower than that at which it has been valued. For example, if your home is in Valuation Band B, you’ll get a bill for a home in Valuation Band A. However, the valuation list itself will not be altered.

Disabled Relief is not Council Tax Benefit. You can get this reduction as well as Council Tax Benefit.

**Band A properties**
People in band A properties will still receive a reduction of one sixth of their Council Tax.

If you need any help or information please contact us. Details are on the back of this leaflet.
3. **How do I apply for Disabled Relief?**

If you wish to apply for Disabled Relief please complete the application form in this leaflet. The claim needs to be made by the person who is liable for the Council Tax. If you are unable to complete this form yourself you can:

- Ask someone to complete it on your behalf (eg a friend, social worker) or
- Visit one of our One Stop Shops

4. **How long does the relief last for?**

A renewal form will be sent to you each year asking you to confirm that the circumstances remain the same. It is important that you inform us straight away if the disabled person is no longer at the property.

5. **If I am unhappy with your decision, can I appeal?**

If your application is refused you can appeal against our decision. Your appeal must be made in writing direct to us. You must give the reasons for your appeal and provide any supporting evidence.

We will look at our decision again and let you know if we are going to allow your appeal. If we decide not to allow your appeal, you have a right of a further appeal to an independent tribunal.

For further information visit [www.valuation-tribunals.gov.uk](http://www.valuation-tribunals.gov.uk)

6. **Could I be entitled to any other discounts?**

This will depend on the number of residents, however if there is a disabled person living at the property you may also qualify for other discounts. Examples of this would be if there is a carer, or a person suffering from a severe mental impairment.

For more information, see our leaflet “Council Tax Discounts” on your Council Tax.
7. What if I have a query?

You can telephone us or you can call in person at any of the One Stop Shops. You can write a letter to us or e-mail us. Details are at the back of this leaflet.

8. What happens next?

The information you have provided on your form will be looked at.

We may later request a note from a doctor, or any qualified professional such as an occupational therapist or social worker confirming the nature of the disability. We may also need to visit the property to confirm the details on the form.
