

September 2020 reception class intake

Allocation results

Knowsley Lane Primary School (Academy)

The above named school was oversubscribed for entry to reception class in September 2020 (i.e. the school received more requests for places than the number of places available to offer)

The Academy Trust are responsible for agreeing the admission arrangements to the school and have adopted the oversubscription criteria ('admission policy') determined by Knowsley Local Authority for all Community Schools and participating academies

The published admission number for this school is **30** – places were allocated as follows:

Oversubscription Criteria (Admission Policy) ¹	Number of places allocated
1. Children currently/previously in the care of the local authority	1
2. Children with exceptional medical or welfare needs	-
3. Children with a sibling in the school	17
4. Distance from home to school (as the crow flies)	12
Total	30

The last child to secure a place fell within criterion **4**. The distance tie-break was applied to all applicants within this criterion and the last child to secure a place lived **0.293** miles from the school (as the crow flies). Due to two children living the same radial distance from the school at this measurement, random selection was used as a second tie-break.

After considering all on-time applications this school was full to the admission number. Late applications could only be added to the waiting list.

¹ A full version of the oversubscription criteria is available in the booklet 'Knowsley Primary Education Admissions – Information for Parents 2020/21'.
