## **LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1982**

### **STREET TRADING CONSENTS**

#### **NOTES FOR THE GUIDANCE OF APPLICANTS FOR CONSENTS**

The Local Government (Miscellaneous Provisions) Act 1982 lays down certain regulations concerning street trading. Within the Borough of Knowsley there are some streets in which street trading cannot take place. These are called "prohibited streets" and a list of these streets is attached at the end of these notes. Street trading may be carried out in all other streets provided that the trader has obtained a Consent from the Council and complies with certain conditions. The streets in which trade may be allowed are called "Consent streets". These notes explain how to make an application for a Street Trading Consent.

#### **What is street trading ?**

Street trading means selling, exposing or offering for sale any article in a street. The term street includes footways, car parks, public house forecourts and generally any area where the public have access without payment.

#### **Exemptions from the need to obtain Consent**

Some types of trade are exempt from the need to obtain Consent to trade in a street. These include:-

- (a) pedlars trading under the authority of a Pedlars' Certificate
- (b) trade carried out by roundsmen, e.g. milkmen
- (c) news vendors trading in the sale of newspapers and periodicals only, provided that they are not sold from a stall or similar structure, or if they are that it stands on the carriageway of a street and its dimensions do not exceed 1m in length, 2m in height and does not occupy a ground area of more than 0.25 sq.m.
- (d) trade at fairs and markets which hold a right to trade
- (e) trade at petrol filling stations
- (f) trade carried out in a street adjoining a shop provided it is part of the business of that shop (such business must not obstruct the highway)

Other types of trade may be exempt and further advice can be obtained from the Licensing Office. If you are not sure whether you need a Consent it is advisable to make application and the Council will let you know if a Consent is required.

### **The Council's Street Trading Policy**

- A. The Council will only issue Consents (not including Ice Cream Consents) when it is satisfied that;
- (i) The applicant can demonstrate a clear demand for the services which he/she would provide were a Consent granted,
  - (ii) There are no shops selling similar goods or similar street traders within a reasonable proximity of the proposed trading location taking account of the nature and character of the location and the trading hours applied for. It is unlikely that the Council would look favourably upon an application where there is similar provision within 1/4 mile of the proposed trading location; and
  - (iii) There are no significant objections to the application.

You should bear this in mind when considering the area in which you wish to trade. The Policy also applies to renewals, as well as the initial application. It is important that you understand this because if your initial application is successful and you wish to renew your Consent your renewal application will be considered against this Policy and any circumstances which prevail at the time.

- B. Ice Cream Consents will only be issued where no objections are received and where there is no alternative provision from shops or other ice cream traders. Applications will be refused if there are already 2 or more ice cream traders in the street applied for. Ice Cream traders are only permitted to sell or offer for sale ice cream, frozen confectionery, confectionery, crisps and soft drinks.
- C. Applications to take over existing Consents are treated in accordance with Paragraph A above. However, where the application is in respect of a consented business which has previously co-existed without conflict with other shops or similar consented traders which are within 1/4 mile of the location applied for then the Council may be minded to grant the application providing no significant objections are received.
- D. You may apply to trade on any day(s) of the week but all types of street trading cannot take place after 9.00 pm. Should your application be to trade within 1/2 mile of Kirkby Market then you will not be allowed to trade on Tuesday, Friday or Saturday before 5.00 pm.
- E. Use Of Assistants

All assistants must be approved by the Council which will involve them in submitting an application form supported by two references, appropriate identification, a Basic Disclosure Certificate (which cannot be more than 30 days old), and the appropriate fee.

Assistants must be 'fit and proper persons' and have no relevant convictions. Application forms for assistants are available on request from the Licensing Office.

### **How to apply for a Street Trading Consent (New)**

1. Applicants must be aged 17 or over.
2. Applications must be made on the form provided by the Council obtained from the Licensing Office. All questions asked must be answered as failure to complete the application form fully will lead to delays. Please remember that any false statement could lead to prosecution.
3. When completed, the application form together with a fee of 10% (non-refundable) proof of identification, a Basic Disclosure Certificate (Which cannot be more than 30 days old) and two character references (from persons of standing in the community such as a doctor, priest, solicitor, employer, etc) should be sent to the Licensing Office.
4. You must place a notice in a local newspaper giving details of your application and allowing members of the public 14 days to make representations to the Council in respect of your application. A sample notice is enclosed for this purpose.
5. Upon receipt of your fully completed application form consultations will take place with the following:-

Merseyside Police  
Ward Councillors  
Environmental Health & Consumer Protection Division  
Department of Regeneration & Neighbourhoods  
Local Residents (if applicable)

If no objections are received and an application satisfies the Councils Policy, then a consent can be issued. Where objections are received and/or an application does not satisfy the Councils Policy then the matter will be referred to a Licensing Sub-Committee who will decide whether or not to grant your application.

6. In normal circumstances an application will take approximately four to six weeks to process. The Council will write to you informing you of its decision. In the case of a new application (not renewal) you must not trade as a street trader until you have obtained a Consent from the Council.
7. If your application is granted you must produce a certificate of insurance of third party public liability cover for £1,000,000 to the Licensing Office before a Consent is issued to you (and a current M.O.T. Certificate if you are trading from a vehicle). All Consents, whenever issued, will expire on 31 March next. A reduced fee will be charged if your Consent is issued for less than 12 months.

## **Renewal Applications**

Renewal applications are considered against the Councils Policy and any circumstances which prevail at the time. All applications for renewal will need to be submitted with a Basic Disclosure Certificate, a certificate of insurance of third party public liability cover for £1,000,000 and a current M.O.T. Certificate if you are trading from a vehicle. Should there be any objections to your application then the matter will be reported to a Licensing Sub-Committee for their determination.

## **Applications to Take Over Existing Consents**

Such applications are treated the same as new applications (see 'The Council's Street Trading Policy' above - paragraph A refers). However, where the application is in respect of a consented business which has previously co-existed without conflict with other shops or similar consented traders which are within 1/4 mile of the location applied for then the Council may be minded to grant the application providing no significant objections are received.

## **Conditions of a Street Trading Consent**

If the Council grants a Street Trading Consent it will be subject to conditions. These conditions regulate the way in which trade can be carried out and the trader must strictly comply with them. Failure to comply could result in prosecution and/or the Consent being revoked. A copy of the standard conditions of Consent is attached.

## **Other Legislation and Codes of Practice**

Apart from the conditions of a Street Trading Consent the trader has an obligation to comply with any other laws and regulations relating to the particular type of trading being carried out. This includes compliance with Codes of Practice such as the Code of Practice on Noise from Ice-Cream Van Chimes 1982, the Shop Acts and the Sunday Trading Legislation. Failure to comply with relevant legislation could lead to prosecution under the various statutory provisions. If you have any doubt about the laws relating to your particular trade you should obtain legal advice or contact Environmental Health on telephone number (0151)-443 4733 or (0151) 443 4710.

## **Inspection Of Trade Vehicles**

It is necessary for the Council's Environmental Health Officers to inspect trade vehicles, portable stalls, etc to ascertain their suitability. Once your application is submitted to the Licensing Office a copy will be sent to Environmental Health and you should contact them on (0151) 443 2846/4270 to make an appointment to inspect your vehicle/trailer etc.

**Any trader granted a consent must allow, at all reasonable times, access to Environmental Health Officers to inspect their vehicle or stall and shall comply with any reasonable request made to them by Authorised Officers of the Council or Police.**

## **Fees and Charges**

The scale of fees and charges approved by the Council are as follows:-

<u>Nature of Consent</u>	<u>Fees and Charges</u>
New Street Trading Consent	£700 per year
Renewal of a Street Trading Consent	£450 per year
Daily Fee:-	
Fish Trader	£6 per day or part of day

Mobile	£6 per day or part of day
Variation of Consent (additional Streets)	£150

The fee for new applicants will be charged from the first day of the month in which Consent is granted until the following 31st March.

These fees relate to both the granting of a new Consent and the renewal of an existing one. A deposit of 10% of the relevant fee must accompany the application form and the Council has made provision (if required) for the remainder of the annual fee to be paid by equal monthly instalments.

## **Rehabilitation Of Offenders Act 1974 (As amended by the Legal Aid, Sentencing and Punishment of Offenders Act 2012)**

On your application form you must disclose any convictions which are not 'spent'.

The rehabilitation period (the length of time before a caution or conviction becomes spent) is determined by the type of disposal administered or the length of the sentence imposed. Rehabilitation periods that run beyond the end of a sentence are made up of the total sentence length plus an additional period that runs from the end of the sentence, which is called the 'buffer period'. Other rehabilitation periods start from the date of conviction or the date the penalty was imposed.

The 'buffer periods' are halved for those who are under 18 at date of conviction (save for custodial sentences of six months or less where the 'buffer period' is 18 months).

The rehabilitation periods for sentences with additional "buffer periods" which run from the end date of the sentence are shown in the table below:

<b>Sentence/disposal</b>	<b>Buffer period for adults (18 and over at the time of conviction or the time the disposal is administered). This applies from the <u>end</u> date of the sentence (including the licence period).</b>	<b>Buffer period for young people (under 18 at the time of conviction or the time the disposal is administered). This applies from the <u>end</u> date of the sentence (including the licence period).</b>
Custodial sentence* of over 4 years, or a public protection sentence	Never spent	Never spent
Custodial sentence of over 30 months (2 ½ years) and up to and including 48 months (4 years)	7 years	3½ years
Custodial sentence of over 6 months and up to and including 30 months (2 ½ years)	4 years	2 years
Custodial sentence of 6 months or less	2 years	18 months
Community order or youth rehabilitation order**	1 year	6 months

\*Custodial sentence includes a sentence of imprisonment (both an immediate custodial sentence and a suspended sentence), a sentence of detention in a young offender institution, a sentence of detention under section 91 of the Powers of Criminal Courts (Sentencing) Act 2000, a detention and training order, a sentence of youth custody, a sentence of corrective training and a sentence of Borstal training.

\*\*In relation to any community or youth rehabilitation order which has no specified end date, the rehabilitation period is 2 years from the date of conviction. The following table sets out the rehabilitation period for sentences which do not have “buffer periods” and for which the rehabilitation period runs from the date of conviction:

<b>Sentence/disposal</b>	<b>Rehabilitation period for adults (18 and over at the time of conviction or the time the disposal is administered).</b>	<b>Rehabilitation period for young people (under 18 at the time of conviction or the time the disposal is administered).</b>
Fine	1 year	6 months
Conditional discharge	Period of the order	Period of the order
Absolute discharge	None	None

Conditional caution and youth conditional caution	3 months or when the caution ceases to have effect if earlier	3 months
