COUNCIL TAX – DISABLED REDUCTION APPLICATION

Who can apply?

If you have adapted your home to meet the needs of a disabled person who lives there and he/she is permanently and substantially disabled, you may be entitled to a reduction in the amount of Council Tax you pay. The property must be the disabled person's main residence.

The adaptations that qualify are:

- a room (not a kitchen or bathroom), mainly used by the disabled person;
- an extra kitchen or bathroom needed to meet the disabled person's needs; **or**
- enough floor space for a wheelchair that is used indoors.

Small modifications alone, for example, a stair lift or bath hoist, are not automatically enough for us to grant relief.

How do I apply?

If you think that you meet these conditions, fill in the application form and return it to us. Please provide as much detailed information as possible and any supporting evidence, e.g. photographs, planning completion notice, proof of benefits etc

What happens if I qualify?

We will send you an adjusted bill, charging you as if your property were in the valuation band below the one the Listing Officer has actually given it.

From 1st April 2000, if your property is already in the lowest band (A) you will get a reduction of one ninth of a band D charge.
