

# Census 2021

## Knowsley

**Population**  
**154,500**

Up 6%  
since  
2011

Liverpool City Region 3%  
England 6.6%

**Households**  
**66,072**

Up 7.7%  
since  
2011

Liverpool City Region 3.3%  
England 6.2%

### Why does this matter?

Growth in population and households means more demand for council services (more bins to empty, more housing, school places, social care) and infrastructure, but also means a viable council, more council tax revenue, growth in the local economy and suggests a place where people want to live in and move to.

## Age Structure

**18 to 66 years**  
**96,336**

Liverpool City Region 62%  
England 62%

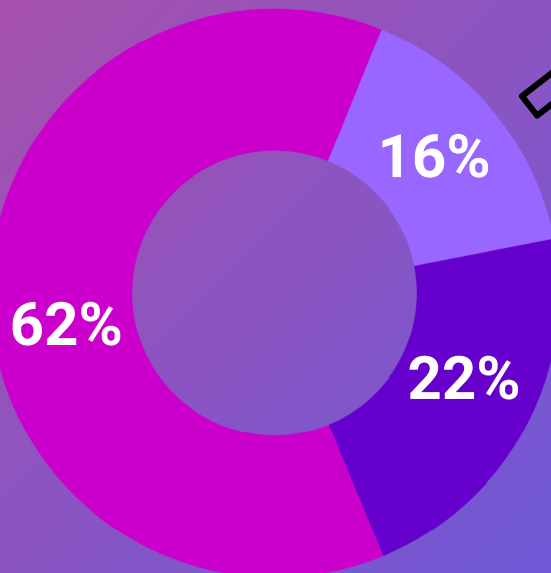

Up 2.9%  
since 2011

**66 years and over**  
**24,445**

Liverpool City Region 16%  
England 18%

**0 to 17 years**  
**33,736**

Liverpool City Region 20%  
England 21%

### Why does this matter?

0-17 years - 2.9% more people living in Knowsley in this age group, potential for Increased demand for children's services, childcare/ school places, family housing, leisure services, health and education support.
