

Info Sheet 6 - May 2025 Issue - Construction Phase 1

Following on from the consultation last year work has commenced on an Active Travel and Capacity Improvement Scheme on Moorgate Road and the East Lancashire Road (A580). This will provide a fit for purpose, high quality, resilient network for the future. Works will be undertaken in different phases with later works involving Junction 4 of the M57 motorway.

MOORGATE SOUTH ONTO A580 W / FOOTPATH AND DRAINAGE WORKS

Works between Monday 2nd June 2025 and Thursday 25th September 2025 will include the following.

- Construction of a new lane on Moorgate Road South
- Removal of the pedestrian island including building out the existing kerb line to form a new footway
- New gullies, manholes and drainage infrastructure will be installed in the footway towards Knowsley Brook along with a petrol interceptor and new drainage outfall which is called a headwall
- Alter the kerb line at the bus stop to assist with entering and exiting the layby
- Alter the kerb line and widen the footway over Knowsley Brook. This will reduce the carriageway at this section to two lanes
- Traffic Signal, Street Lighting and Traffic Sign work and associated ducting infrastructure
- Footway works to enable the new segregated cycleway on Moorgate Road South
