

Info Sheet 9 – August 2025 Issue - Construction Phase 1

We are now entering the final phases the Active Travel and Capacity Improvement Scheme on Moorgate Road and the East Lancashire Road (A580) providing a fit for purpose, high quality, resilient network for the future. The final phase are 6 & 7 followed by the resurfacing of the junction once SPEN (SP Energy Network) have completed their works

MOORGATE SOUTH - SOUTHEAST CORNER – PHASE 6

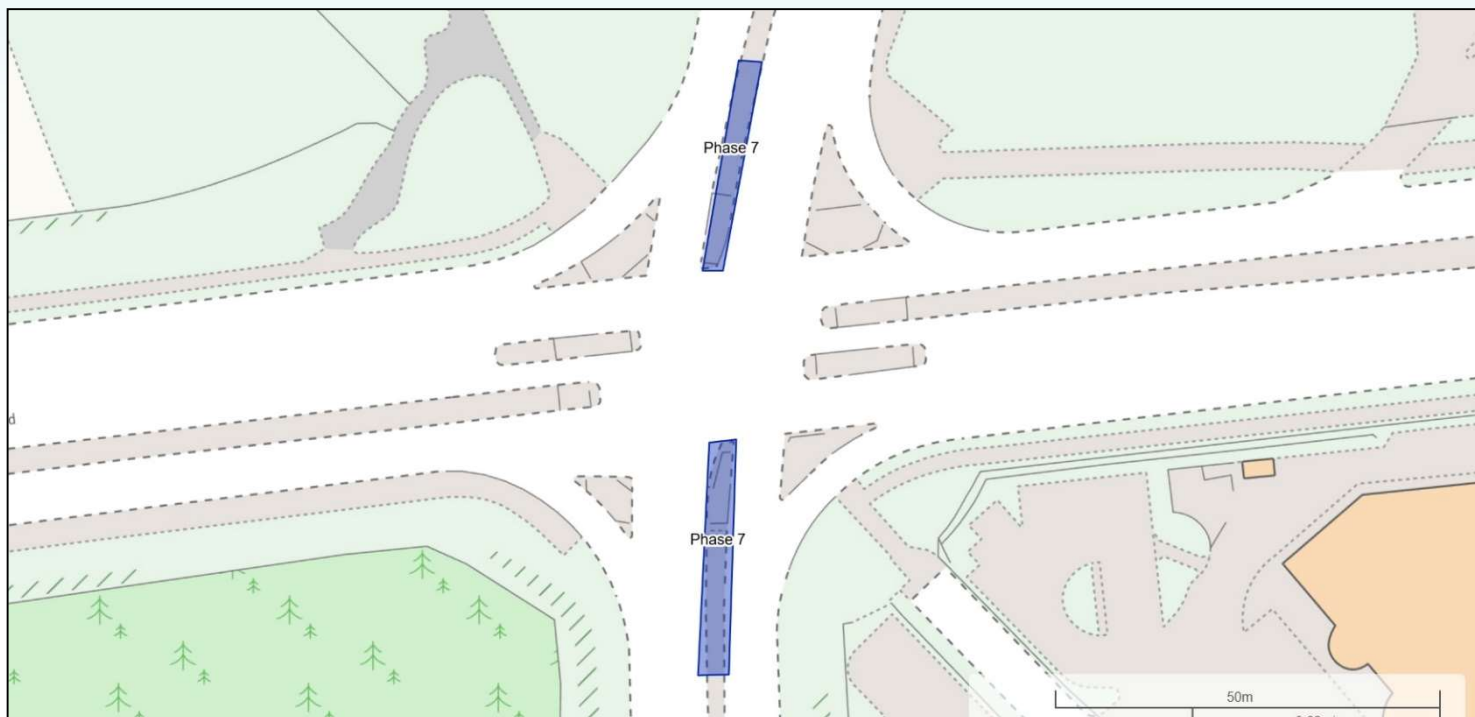

Works – Phase 6 - Tuesday 12 and Wednesday 13th August then returning to the location on Friday 5th September – Tuesday 23rd September

Lane Closure – During this time the left turn from East Lancashire Road onto Moorgate Road South will be closed see below diversion

- Footway works to enable the new segregated cycleway on Moorgate Road South
- Traffic Signal, Street Lighting and Traffic Sign work and associated ducting infrastructure
- Kerb Realigning and installation of paving for pedestrian and cycle crossing
- Widening the footway on the entrance to Ribblers Lane South.

CENTRAL RESERVATION MOORGATE ROAD SOUTH AND NORTH – PHASE 7

Works Phase 7 - Wednesday 13th August – Friday 5th September – Single Lane running will be in place for the proposed duration on Moorgate Road South going North towards the junction which will incorporate the right and straight ahead movement.

- Footway works to enable the new segregated cycleway on Moorgate Road South
- Traffic Signal, Street Lighting and Traffic Sign work and associated ducting infrastructure
- Kerb Realigning and installation of paving for pedestrian and cycle crossing
- Installing Speed on Green Cameras
