

Hello my name is

Hannah Barton

What do I do?

I work with young people to understand what they're good at, what they enjoy, and what they might find tricky at school. I also work with lots of different people, like teachers, families, and other professionals, to help make changes that support your learning and well-being, so you can achieve your goals. My job is called an Educational Psychologist, and I work for Knowsley Council.

My Hobbies

- Watching movies
- Cooking
- Travelling

People say I am...

- Helpful
- Supportive
- Good Listener
- Caring

I would like to be better at...

Using computer technology, being on time and maths

My dog

I enjoy...

- Going on adventures in my caravan
- Finding new beaches and woodlands to visit with my family and dog 'Brae'

What am I doing?

I would like to get to know a little bit about you, and to help me do that, I might speak with the adults you live with and talk to adults at your school. I would also really like to get your views, so that I can understand what you think of education and learning. Nobody knows this better than you; that is why your views are so important.

I will write a short report and share it with the adults who support you. This helps them understand what matters to you and how they can help you achieve your goals.

If you decide you don't want to work with me, that's okay too! Just let me or a trusted adult know on the day.
