- Opportunities for **getting involved in innovative projects** and initiatives to support continuous improvement
- **Strong culture of employee engagement** as well as reward and recognition - supporting you to be the best you can be

## PENSIONS

- Access to the Local Government Pension Scheme. Unlike many private sector pensions which are defined contribution (DC), LGPS is a **defined benefit (DB)** scheme. This means:
  - Pension is based on salary and length of service.
  - Provides a guaranteed income for life after retirement.
  - Less risk for the employee compared to DC schemes.

Whereas most DC schemes are based on performance of market investments.

- LGPS pensions are **inflation-protected**, increasing annually in line with the Consumer Prices Index (CPI), helping maintain purchasing power over time.
- The council will typically contribute **14-20% towards your pension**, compared to lower contributions in many DC schemes.
- The scheme includes **ill health and death benefits** which includes immediate access to your pension if you are retired early due to ill health and a lump sum death benefit of 3 times your salary as a lump sum and survivors pensions for dependents.

- Members of the pension scheme can also opt for **early retirement from 55** (with reductions to pension benefits).
- You can find out more about our pensions at [Merseyside Pension Fund \(mpfmembers.org.uk\)](http://mpfmembers.org.uk)
- **Ways to top up your pension benefits**, including shared cost salary sacrifice, meaning more savings on National Insurance and Income Tax and the option to voluntarily make additional pension contributions.

## WELLBEING
