

# Knowsley school nursery classes

## Information and contact details

All the schools listed have a nursery class and some have access to additional wraparound childcare on site – please contact schools directly to discuss what provision they can offer and for details of session times.

**NOTE:** Attending the nursery class of a particular Knowsley primary school DOES NOT normally give your child priority for a place in the reception class of that school. The Knowsley Primary Education Admission Booklet gives details of admission procedures and policies (oversubscription criteria) for reception classes. The booklet is available on the Knowsley web site, from Knowsley School Admissions and in Knowsley libraries, one stop shops and primary schools.
